From

To

Janab Mir Safdar Hussain, B.A.,
Secretary to Government,
General Department, Bangalore

Sir,

Subject - Permitting the President of the City Municipality to incur an expenditure upto Rs.500/- on the entertainment of distinguished guests to the City.

I have the honour to state that when distinguished guests come to the city, the Municipality invites them and every time sanction of the Council is obtained by the President for arranging a welcome and Tea. This causes delay sometimes in making the necessary arrangements, particularly when the notice of the visit is very short In order to obviate this inconvenience, the Council have decided that a sum of Rs 500/- might be kept at the disposal of the President for entertainment of distinguished guests at his discretion the provision under E 10-Fairs and Festivals in this behalf in the Budget Estimates of the Municipality being increased by Rs.500/- i e,m to Rs 10,500/- in the aggregate.

In enclosing herewith a copy of the resolution of the Council in this behalf, I request you to kindly obtain early orders of Government to the proposal contained in the resolution out of the provision made for

Yours faithfully,

T. Venkata Ramaniah

Sir,

Subject- Permitting the President of the City Municipality to incur an expenditure of Rs 500/- on the entertainment of distinguished guests

With reference to the President's letter no CR PA 114, dated 22-6-46 on the above subject I am directed to state that the Copy of the resolution of the Hund. Cl received appears to contain some omission as the decision is not noted

A Copy of the complete resolution may be sent

In this connection it is not clear why the proposal be a separate provision of Rs 500/- for the purpose for being spent by the President, over and above the budget grant of Rs 10,000/- and why in emergent cases the President cannot incur expenditure in anticipation of the Council's approval and debit the expenditure to the grant made for the purpose

Sir,

Subject - Permitting the President of the City Municipality to ~~the~~ incur an expenditure of Rs 500/- on the entertainment of distinguished guests

---

With reference to your letter No L 413/4-7-1949 on the above subject, I have the honour to enclose a copy of the resolution of the Council sanctioning the recommendations of the Managing Committee to empower the President to incur expenditure at his discretion when the notice of the visit of distinguished guests is very short

As regards the second point raised in your letter under reference it is to be stated that the sum of Rs 500 noted denotes the money limit of the amount placed at the disposal of the President for the year 1949-50 This will be at the disposal of the President to be spent at his discretion and hence the usual provision which is meant for other purposes like arrangements in connection with the Birthday and Dasara Festivities, Market Show etc , is raised by that amount.

In these circumstances, I request that orders of Government may be kindly obtained and communicatdd

Yours faithfully,
T Venkata Ramaniah
